

# Benefit Access Form

If you would like to access your super, you will need a Benefit Access Form which is appropriate for your individual circumstances.

Please contact your Member Services helpline on 13 GESB (4372) to have the correct form emailed to you. We are available all business days from 7.30am to 5.30pm.

Please note:

The GESB Super Withdrawal Form can not be used for rollovers to another super fund. It can only be used for GESB Super members who have unrestricted non-preserved amounts (i.e. generally those members who have already retired)
