

## Media Release

Wednesday, 18 June 2008

### **New General Manager appointed at GESB**

GESB, WA's largest local superannuation provider, recently appointed Greg Newman as General Manager Distribution.

Mr Newman has more than 22 years experience in the superannuation, financial advice and funds management industry within Australia.

GESB Chief Executive Officer, Michele Dolin, said this is a significant appointment for GESB.

"Greg brings extensive experience to GESB that will benefit our members and strengthen GESB's distribution capacity", Ms Dolin said.

Mr Newman was previously national head of distribution and sales at Advance Asset Management, and the regional manager for distribution in Western Australia for Asgard Wealth Solutions.

On July 1, GESB changes to a member owned organisation and its products and services will be available for all Western Australians.

### **About GESB (June 08)**

GESB manages the largest superannuation fund based in Western Australia and is a significant national player. It manages superannuation on behalf of 25% of Western Australia's workforce and with a 69 year track record, GESB has unrivalled experience in superannuation in Western Australia.

It is a member based organisation that manages the superannuation of current and former WA Public Sector employees and their partners. GESB has over 290,000 members and a growing investment portfolio of over \$9 billion.

GESB's primary purpose is to improve the long-term financial security of its members. The organisation offers a choice of competitive superannuation and retirement products, sound investment returns, competitive fees and excellent member services.
